Teaching & Learning

Radha Madhava Adarsh Sanskrit Mahavidyalaya (RMASM), located in Nambol, Manipur, is dedicated to the preservation and promotion of Sanskrit education. The institution employs a blend of traditional and modern teaching methodologies to provide a comprehensive learning experience.

Teaching Methodology:

RMASM integrates classical Gurukula-style along with modern education with contemporary pedagogical approaches. This fusion ensures that students gain a deep understanding of ancient texts while developing skills relevant to the modern world. The curriculum emphasizes the study of Vedas, Shastras, and other classical Sanskrit literature, fostering both academic and spiritual growth.

Courses Offered:

The Mahavidyalaya offers a range of courses in Sanskrit studies, including:

Prathma: - Class VI- VIII

Purva Madhyama: - IX-X

Prak-Shastri (Intermediate): - Foundational course introducing students to Sanskrit grammar, literature, and basic philosophical texts.

Shastri (Bachelor's Degree): An undergraduate program delving deeper into Sanskrit literature, philosophy, and advanced grammar.

Acharya (Master's Degree): postgraduate course focusing on specialized areas of Sanskrit studies, encouraging research and in-depth analysis.

Faculty:

The institution boasts a team of dedicated scholars proficient in various fields of Sanskrit studies to enhance the learning experience, RMASM periodically recruits guest teachers, especially in subjects like English and Computer Science, to ensure students receive a well-rounded education.

Learning Environment:

Beyond traditional classroom instruction, RMASM provides opportunities for students to engage in cultural and scholarly activities. The Mahavidyalaya hosts seminars, workshops, and cultural events, allowing students to immerse themselves in the rich traditions associated with Sanskrit. n summary, Radha Madhava Adarsh Sanskrit Mahavidyalaya is committed to delivering a holistic education that honours ancient traditions while embracing modern educational practices.
